Turner/R6/USEPA/US@EPA
Subj: Cedar Chemical/Vertac - Concerning Changing the Site's Name to "Cedar Chemical
Corporation"

Brenda,

Turner, Moore, Cook, and Werner agree that the current CERCLIS # can continue to be
used to identify this site.

Turner, Moore, Cook, and Werner also agree that the site will be renamed "Cedar
Chemical Corporation."

FYI - Corporate records filed with the AR Sec of State identify "Cedar Chemical
Corporation" as being the correct name for this corporation.

Subject: Cedar Chemical/Vertac - Concerning Changing the Site's Name to
"Cedar Chemical"

Susan,

RE: Our conversation about changing the name of the "Cedar Chemical/Vertac" site to
"Cedar Chemical."

Jim Turner (the attorney assigned to both sites), Gary Moore (the OSC assigned to the
site in Helena, AR), and I (the EO assigned to the site in Helena, AR) agree that
site's name change is warranted. We think that the word "Vertac" in both of these
site's names might confuse uninformed persons to erroneously think that the two sites
are related.

Gary and I are available anytime after 10:30 AM tomorrow to meet with you and Brenda
to discuss changing the site's name. Jim doesn't have to meet with us. He is already
in favor of renaming the site.

Please let Gary and I know when you would like to meet to discuss this matter.

SITUATION:

WasteLAN currently identifies "Cedar Chemical/Vertac," CERCLIS # ADR99060649 as a site
in Helena, AR.

WasteLAN also currently identifies "Vertac, Inc, " CERCLIS # ARD000023440, as a site
in Jacksonville, AR.

The company named Vertac, Inc., will soon be identified as a PRP at the Helena, AR
site. The same company, Vertac, Inc., has already been identified as a RP at the
Jacksonville, AR site.

RECOMMENDATION:

To minimize possible future confusion, it is recommended that the site in Helena, AR
named "Cedar Chemical/Vertac" be renamed "Cedar Chemical" and that a new CERCLIS
number be assigned to the site.

Contreras/R6/USEPA/US@EPA
Subj: Cedar Chemical/Vertac - Concerning Changing the Site's Name to "Cedar
Chemical Corporation"

Brenda,

Have you notified Contreras that the site name "Cedar Chemical/Vertac" has been changed to "Cedar Chemical Corporation?"

If not, please advise him correct the site's name in ETS.

Only the Site's name has changed. There has been no change in the Site's CERCLIS # or Spill ID.
